Meet Michelle

From pain & struggle
to purpose & smiles...

Michelle

My life has been a struggle... including a weak marriage and a battle within myself. I have put more burden on my husband than I intended to. I am still working on how I handle things. I couldn't see the blessings due to the constant negative words, energy and people I surrounded myself with.

Since welcoming Adam into my life, he has and will always be there for me and I respect him more than I can ever put into words. My husband and I are able to talk about things more and fight about things less.

I am a work in-progress with a light at the end of the tunnel. I am not going to quit, because now... I have a purpose, I help myself, I can help my family, and I can help others. I cannot wait to do the same for others.

Meet Steve

Angry to Aligned

Steve

I was home from traveling for work and had some issues. I found myself angry, sharp with my words, easily frustrated & totally stressed to a point that I **couldn't re-center myself**.

Most of this was unfairly directed at my spouse. I was confronted with this behavior by Adam, as only a good mentor can.

I wasn't happy about hearing what he observed and the truth of my actions. **I didn't know why** my behavior had changed but at least agreed things had to improve.

I embarked on a routine and had an interesting side effect. I was able to do a lot of self-reflection and put positive energy and behaviors back into my daily life.

I rediscovered my core values and was able to be more centered. I calmed the anger and helped my mind to slow and focus on my priorities instead of distractions... what Adam calls staying "mission-minded".

“

IN HIS WORDS:

The key is that I had someone I trusted and valued to hold me accountable for the man I am and have the potential to be.

BIGGEST STRUGGLE

BIGGEST WIN

a testimonial story

I met Adam years ago.

He told me he had something that he wanted to share that would help me get to my dreams.

I ended building a relationship with not only him but his wife.

At the time I met them I was in a deep dark place in my life.

Mentoring with Adam changed my outlook on a lot of key things that shaped me into who I am today.

They still impact me in ways they have no idea.

I am so glad that Adam had the courage to walk up to me that day.

You never know who needs you, I say do the things that scare you or are uncomfortable.

You never know the impact it will have years down the line.

BIGGEST STRUGGLE

Discouraging people around me

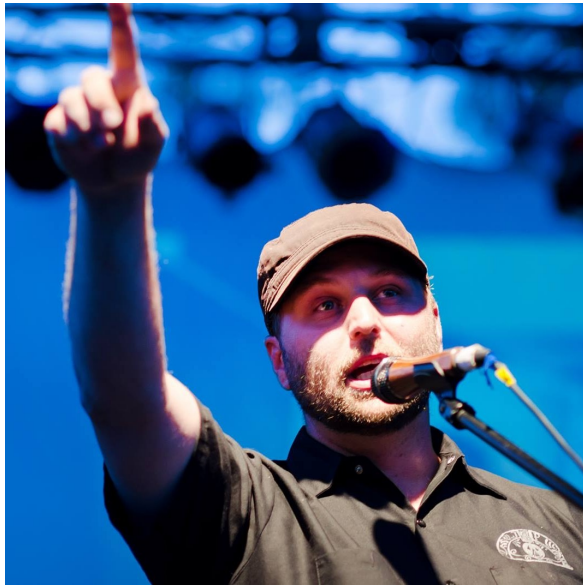

BIGGEST WIN

The belief I could live my dreams

IN HER WORDS:

Mentoring with Adam changed my outlook

a testimonial story

Adam is great at what he does because he truly cares about each & every person.

Jason

CEO, SDJ Enterprises

I have been an entrepreneur since I started my first business at the age of 15... over 30 years ago.

Adam has provided expert marketing ideas, strategies and consulting. He is warm, engaging and always going the extra mile. He simply knows how to produce.

Adam has assisted my General Managers, shift supervisors and other employees in the **soft skills of conflict resolution, working with various personality styles (this piece alone makes his work phenomenal)** and leadership principles.

Adam is great at what he does because **he truly cares** about each and every person he works with or “serves”, as he calls it.

He truly is excellent... you will experience it firsthand when you get to have a conversation with him.

IN HIS WORDS:

If I could advise, don't miss having him.

BIGGEST STRUGGLE

Our industry traditionally sees a high turnover rate.

BIGGEST WIN

Due largely in part to Adam's expertise, our profits have seen a 40% increase and they've held.
